

# NOTEWORTHY NEWS

## Whew!!

It's been an active two months for the talented ladies of our chorus! In March, visitors and vendors at the **Women's Expo** were entertained by our newest quartet. In April, we threw open the doors for our annual **Family and Friends Night**, before heading off to the Region 1 **Competition** in Springfield, Ma, the following week. Now, as our chorus year draws to a close, it's time for our **Annual Meeting** and **Installation Banquet** being held on May 3. It will be a fun—and well-deserved evening of celebration!

## Girls Just Wanna Have Fun!

Profile was proudly represented by *No Kiddin'* quartet, as women of all ages packed the aisles and stopped to hear and join them as they sang "Happy St. Paddy's Day" to all! The quartet greeted passers-by with green necklaces, candy and chorus brochures, inviting them to sing along or record a song for a relative or friend. "As we took requests for songs from the crowd, I was so impressed by how much the music reached deep into their hearts. There were smiles and tears. We have been given a gift to share, so sing loud.

## Don't I Know You?

We always appreciate the many family members who attend our dress rehearsal and enthusiastically applaud us as we run through our contest songs not just once but twice! The surprise for the chorus was looking out from the risers and seeing 4 of our alumni sitting in the back row, smiling and clapping. Thank you Ann, Terry, Marie and Deb!

## And Now For Contestant Number ...

Competition weekend began early for No Kiddin' as they traveled a day ahead, to perform for the first time at Symphony Hall on Friday. They took the stage, sang their hearts out and were very pleased to have earned a 10th place in the competition, as well as the Novice Quartet Award!

The Chorus took the stage at 2:25pm and left it all on the stage! Twenty-one voices put it all out there and the judges recognized the vast level of skills being presented by this small chorus. Chorus members were happy with their 4th place Division A performance and the positive comments by the judges and their director. "Our hard work paid off this year at contest! We improved our score by 35 points from last year. Definitely something to be very proud of! We put our best on stage this year and we were rewarded for that. Thank you for doing all that you do each and every week. I love being the director of this wonderful group!" (Terry)
